Mes Petits – January/February 2010

Welcome Back! We hope everyone had a wonderful and relaxing holiday. We would like to extend a warm welcome to all our new families.

The children have been comfortably getting back into their daily work in the class. They eagerly wait for new presentations. The once teary-eyed small ones coming in the door now feel so big and proud to lend a helping hand to the new ones.

In the past few weeks, we reviewed Grace and Courtesy lessons to remind the children some of the basic social expectations in the environment (classroom). We reviewed the importance of a quiet voice that will help bring concentration to their activity, a kind approach with their peers, and working toward finding caring solutions that will help them to respect one another.

We look forward to a wonderful new term.

Upcoming Events

Fieldtrip – The 3 Clever Pigs

On February 8th, 2010 the classes will be taking part in watching the play at The Presentation House Theatre located at 333 Chesterfield Ave, North Vancouver. There will be no regular classes on this day. We ask that you drop your child at the theatre at 9:30am sharp where they will be met by the teachers at the door. Pick up will also be at the theatre at 11:00am.

In the school

There will be NO SCHOOL on Monday February 15th, 2010 as it is a Professional Day.

New Class Lists

New class lists have been handed out. If you wish to pass out Valentine's Day cards, please ensure that there is one card for each child in your class. Please note that information on these lists is for school purpose only, which includes setting up play dates for your child, invitations for birthday parties, etc. Please do not use these lists for any personal or professional use.

In Music – 3 day/4 day classes

The students have been singing, dancing and playing percussion instruments to Seasonal tunes. As we approach February, we will be adding Groundhog Day, Valentines, and Chinese New Year to our Winter melodies and music-making.

Drop off

We value the class time when the children are engaged in their work. Therefore, it's highly recommended that children be dropped off on time. When a child is late, he/she often feels unsettled and lost, as well, group messages are often given in the morning.

In Appreciation

We would like to thank all the families who have assisted us in our classroom by donating carrots, oranges, apples, coffee beans, flowers for our Practical Life area. We would also like to thank all the families who have donated snack as well those who have assisted us with laundry.

In addition, a very big thank you to all the families that put open house signs on their lawns. We had a great response to the open house. We would appreciate if anyone could offer good locations for our signs on high profile streets such as in front of your place of work or a relative who lives on high profile streets. We would also highly appreciate it if you could mention our school to families who maybe interested in joining our community next year.

Volunteers Wanted

We are still looking for class moms for each class who would coordinate special events such as fieldtrips, the year end picnic, do sewing jobs for the class, cut out materials, coordinate phone trees, and do shopping for the class. If you are able to be a class mom, please see your child's teachers.

Wish List

*Soap * Ziploc Bags * Dixie Cups*
